

## Cycle Hire

### **Our mission is simple:**

CycleRecycle was set up and run by Matt Murphy, an ex professional cyclist with over 40 years of cycling experience.

Matt is an experienced cycle mechanic and cyclist and can answer any question you may have that is Cycling related. Matt is also a passionate environmentalist, with a degree in environmental protection and conservation management. The idea for CycleRecycle was simple and founded on 3 key principles

**`Promote Cycling`  
`Save our customers money`  
`Save the planet by keeping bicycles out of landfill`**

We believe that cycling is not just a fun and healthy activity, but also a sustainable and eco-friendly mode of transportation that can help reduce our carbon footprint and contribute to a healthier planet.

At CycleRecycle, we offer a wide range of cycling products and services to cater to all your needs. From new and used bikes to accessories, parts, and repairs, we have everything you need to get you back on the road in no time.

In addition to our products and services, we are also committed to promoting sustainability and environmental responsibility. That's why we offer a range of eco-friendly and sustainable products, such as recycled bike parts and accessories, as well as advice and resources to help you reduce your carbon footprint and live a more sustainable lifestyle.

At CycleRecycle, we are passionate about cycling and committed to providing our customers with the best possible experience. Whether you're a seasoned cyclist or just starting out, we are here to help you every step of the way. So come and join us on our journey towards a more sustainable and eco-friendly future!
